## A Greeting from the President of the Church

JAMES E. WAGNER

THIS 1961 issue of the YEAR BOOK will in all likelihood be of historical significance since, if the Constitution of the United Church of Christ is declared in force at the Third General Synod in July, the next YEAR BOOK will be a YEAR BOOK of the United Church.

It will be understandable, therefore, that when the President of the Church set about the writing of this greeting he had an urge of historical curiosity which moved him to look back over the file of YEAR BOOKS in his office. He discovered that his file went back only as far as the issue of 1941, although General Council responsibility for this publication began with the 1940 issue.

Contrast between the 1941 edition and that of 1960 is suggestive. The latter is a volume of 312 pages; the former, 144. The 1941 edition contained no tabulation of "Statistics of Congregations" such as in 1960 occupied 103 pages of the YEAR BOOK. It was not until the YEAR BOOK of 1945 that these congregational statistics were included in the YEAR BOOK—not that they were not tabulated and published before then: rather, prior to 1945 the "Statistical Tables of the Congregations," as they were called, were published in a separate 98-page volume, 8½ by 11 inches, and earlier in a 128-page volume, 9 by 12 inches. Certainly, it was an advance in sheer convenience when the two previously separate volumes were combined in one with the issue of 1945.

Fifty pages of the 1941 YEAR BOOK were occupied by "General Reading Matter." For this section the index contains such intriguing titles as "Magic Glass in an East Indian Village," "Woodcarving in Switzerland," "The Wandering Potato," "Birds—the World's Greatest Travelers," "Weather Wisdom," "The Curse of Marihuana" and "Something to Do of an Evening."

The President of the Church, indulging this little excursion into history, was reminded that he had had something to do with that 1941 edition, for at its meeting in January, 1940, the General Council had appointed him chairman of a new committee on YEAR BOOK and Almanac, his associates on the committee being Dr. A. R. Keppel, then executive secretary of the Board of Christian Education and Publication, and J. P. Hennings, then manager of Eden Publishing House. The only readily observable change in that 1941

Dr. Wagner

edition over its immediate predecessors was the inclusion of a 16-page rotogravure section designed to illustrate for pastors and lay people of the then yet newly-united Church some of the institutions and activities at home and abroad which were supported by their apportionment giving.

Such reminiscing as a result of this cursory peek at not-too-ancient history constitutes something more than a moment's pleasantries. It is a reminder that a good bit of water has flowed under the bridge—or over the dam—during these twenty years. The YEAR BOOK has changed; and the times have changed. They never cease changing. "Things ain't what they used to be" is not only the futile and frustrated lament of someone longing for a past which doubtless looks more attractive through the perspective of the years than it was in actuality at the time that past was the present.

"Things ain't what they used to be" is really a profound affirmation of truth about life and history. The only thing certain about them is that they are never the same from one moment to the next. "The world do move."

And, if we have eyes, the eyes of faith, to see it, this is one of the surest evidences that God is a living God, that this created universe is nonetheless a universe still in process of being created, and that God is always at work bringing man and history into line with His purpose. This is the essential wonder of our faith in a God who is the same yesterday, today and forevermore. Blessed be His holy Name!

## Corporate Titles of the Boards and Institutions of the Evangelical and Reformed Church

**H**EREWITH are given the corporate or charter names, together with the headquarters addresses, of the Boards and institutions of the Evangelical and Reformed Church.

This information has been secured from the executives of these agencies by Dr. John W. Mueller, Counselor of the Church, and the editor of the Year Book in response to numerous requests from persons who had need of it in connection with writing wills or drawing up other legal papers.

In every instance the words "of the Evangelical and Reformed Church" should be added to the title. In cases where Boards or institutions are familiarly known by a popular name instead of by the corporate title this popular name is shown in parentheses. The addresses given are those of the executive offices of the Boards and institutions listed.

## Form for Bequests

Persons desiring to remember the Church or any of its boards, institutions or agencies in their last will and testament are encouraged and advised to secure the services of a lawyer or of some other qualified individual. This is advisable because of the variations in state laws governing bequests to religious and charitable agencies. Otherwise, the intent of the testator may be defeated.

The greatest care should be exercised so that all bequests are made in the manner prescribed by law. The following form for general bequests is suggested in the event that no lawyer is available for counsel:—

"I hereby give and bequeath to the Evangelical and Reformed Church, of which Mr. Charles H. Lockyear, St. Louis, Missouri, is the treasurer, for the use of **(insert here the particular cause which shall receive the bequest, or if no preference is made, this clause in the will may be omitted)** the sum of ..... Dollars, and the receipt of the Treasurer thereof shall be sufficient discharge for my Executor."

## Ordinations

The name of each person listed signified that he has fulfilled all the requirements of preparation for the ministry and, in the sacred Rite of Ordination, has been set apart by the Church for the particular ministry to which he may be called by the Church.

## Deceased Ministers of the Church

From January 1 to December 31, 1960

To Him who is Lord and Head of the Church we give praise and sing our gratitude for all whom He calls into the glorious work of the Christian ministry. For those who answered His call to labor in His vineyard and who now have laid down their earthly tasks to enter into the joy of eternal life we give thanks. These, our brethren in Christ, are one with us forever. Their joy is made full; they know surely what we can comprehend only by faith. They stand in the very presence of God.

Our constant prayer is that many will enlist in God's holy service and fill the empty places left in the ranks by those who have received the crown of life.

## SYNODS OF THE EVANGELICAL AND REFORMED CHURCH

# SYNODS IN PENNSYLVANIA

## Location of Churches

The location of every congregation of the Church is listed. Where the detailed location is missing that information was not reported on the statistical blank.

The name of each congregation is exactly as reported by the pastor. It is presumed that this is as the congregation is designated in its charter. For example, we find Saint John, Saint Johns, and St. John's.

Please send notes of any error immediately to The Rev. Sheldon E. Mackey, D.D., LL.D., Secretary, 1505 Race St., Philadelphia 2, Pa.

The surname and initials of the pastor appear after the name and address of each church. Reference to city, town, or state in the "Register of Ministers" will further establish identity. The title "Rev." and all degrees are omitted from this section.

Abbreviations: mi, miles; nr, near; N, north; E, east; S, south; W, west.

## 1960 STATISTICS OF CONGREGATIONS

## EXPLANATION OF SYMBOLS

The asterisk(\*) designates congregations which are affiliated and not in full membership with the Evangelical and Reformed Church. The symbol # indicates that congregations so marked returned no statistical report for 1960 and that the statistics used are those of a previous year, in cases where they are available. These congregational statistics went to press in April. Therefore, some of the pastors whose names appear are not the present incumbents. A more accurate and complete listing appears in the Rosters of the Synods.

Code in the first column indicates the population classification as reported by the United States Census Bureau as STANDARD METROPOLITAN STATISTICAL AREAS; "B" indicates communities in areas classified by the United States Census Bureau as STANDARD METROPOLITAN STATISTICAL AREAS; 1 — population over 50,000; 2 — from 25,000 to 50,000; 3 — from 10,000 to 25,000; 4 — from 5,000 to 10,000; 5 — from 2,500 to 5,000; 6 — from 1,000 to 2,500; 7 — under 1,000; 8 — open country.

(See page 292 for listing of counties in STANDARD METROPOLITAN STATISTICAL AREAS.)

## Standard Metropolitan Statistical Areas

Listed below are the Standard Metropolitan Statistical Areas, prepared by the U. S. Bureau of Census. For easy reference the list is arranged according to states and the counties within each state which make up the Standard Metropolitan Statistical Areas. Counties starred ( \* ) contain Evangelical and Reformed congregations.

In order that the sociological data—occupation, age, race, etc.—reported by the census concerning these areas may be related to the church, it is proposed that in subsequent annual congregational reports, churches report their location by counties making up the Standard Metropolitan Statistical Areas.

## THE PRICE IS RIGHT

In spite of assertions to the contrary, the notion prevails that insurance is a luxury which only the wealthy can afford. Since most clergymen are far from wealthy, they labor under the false impression that an insurance program is impossible and, as bad money circulates to the detriment of the good, this error does untold harm.

As a matter of fact, the Presbyterian Ministers' Fund offers a wide range of policies. A youth of 24 may choose anything between \$6.21 annual premium (minimum policy \$5,000) and an Endowment contract for \$94.00.

Not only do the prices vary but all types of contracts are available. Besides all that, the Fund offers advice to suit the customer's needs. It truly speaks to his condition, often to its own disadvantage.

Such service deserves attention. Good policies, good advice and good security make the Presbyterian Ministers' Fund a company of distinction.

An agreeable surprise awaits the minister who seeks the facts about the Fund.

*Mutual Fire and Storm Insurance Company*

BURLINGTON · IOWA

*The Mutual Fire and Storm Insurance Company of Burlington, Iowa, has, for seventy-one years, served the congregations, institutions, pastors and members of the Evangelical and Reformed Church. During these years has saved its policyholders many dollars in insurance premiums. The company has at all times paid its losses promptly and to the satisfaction of its policyholders. All policies are non-assessable.*

*The company invests all surplus earnings in government and municipal bonds and other approved investments for the protection of its policyholders. All amounts over and above our retention are reinsured with other reliable companies, this also provides additional protection for both the company and its policyholders.*

*The merger between the Congregational Christian Church and the Evangelical and Reformed Church has brought about a larger field for our company to serve. We invite the Congregational Christian Churches, institutions, pastors and members to avail themselves of our liberal rates and protection. We especially invite the pastors to give us an opportunity to let us tell them about the rates and policy we have for the pastors.*

*All inquiries will be cheerfully answered when writing to the secretary, J. Milton Rasche.*
